The labels will be printed in the next couple  
of weeks so if you would like to dedicate any of the  
Mass Books please give me (Pat) the names and £2

plenty left. The idea is that when using the books  
at Mass you say a prayer for the person named  
inside. Thank you.

**Hospital Visits**

Just a reminder that if you, or someone  
you know, are in hospital and would like a visit from  
the Chaplaincy Team and would like to receive Holy  
Communion then make sure you tell the staff. They  
won't allow visits unless they have been informed.

A rich businessman is forced to charter a light aircraft to get  
to an appointment but is horrified at the cost of the flight.  
He gets on board with his wife and moans non-stop to the pilot about  
the price of the charter. Eventually the pilot says, "Tell you what, if  
you can make it through the rest of the trip without opening your  
mouth I'll give you the flight for free, but if you can't, you have to pay  
double." The businessman agrees but the pilot decides to have  
some fun and starts looping the loop, going into spins, and indulging  
in all sorts of aerobatics. Despite this activity, the businessman  
keeps his mouth shut until the plane lands. The pilot congratulates  
him, "You beat me," he says, "I never thought you'd stay quiet  
through all of that." "Well, it wasn't easy," says the businessman,  
"especially when my wife fell out."
