### Painting

In order to reach the top of the internal wall we need to hire a "cherry picker". A plant hire company has been to assess what is needed and Robert Goulding has organised it to be delivered on Wednesday. Thanks Robert.

### Remember, God Loves You

When sickness is on you and health takes a blow,  
When joys all desert you and energy's low  
*Remember, God loves you.*

When pain comes at night and sleep disappears,  
When nothing feels right and you're riddled with fears  
*Remember, God loves you.*

When people are curt or ignore what you say,  
When others' words hurt and friends keep away  
*Remember, God loves you.*

When life feels all empty and weighed down with care,  
When tears come in plenty with no one to share  
*Remember, God loves you.*

When burdened by guilt and plagued by the past,  
When faith starts to wilt or doubts loom too vast  
*Remember, God loves you*

**The minutes of the last PPC meeting are available on the table in the porch. When you have read them, please leave them on the table for others to read. Thank you.**

A vampire bat came flapping in from the night covered in fresh blood, and parked himself on the roof of the cave to get some sleep. Pretty soon all the other bats smelled the blood and began asking him where he got it. He told them to leave him alone and let him get some sleep but they persisted until finally he gave in. "OK, follow me," he said and flew out of the cave with hundreds of bats behind him. Down through a valley they went, across a river, and into a forest full of trees. Finally he slowed down and all the other bats excitedly milled around him. "Now, do you see that tree over there?" he asked, "Yes, yes!" the bats all screamed in a frenzy. "Good," said the first bat, "because I didn't!"
