**Food Bank Special
Kids' Summer Lunch Pack Appeal**

This appeal is to provide food for children who are missing their free school lunch and will end on Thursday 7th August. The urgent needs are tinned ravioli, tinned hotdogs; tinned peas & packs of smash. Please bring any of the above items to Church on Monday, Tuesday or Wednesday if you can. Any children who normally have a free school lunch can claim packs once a week from the New Life Church Food Bank between 11.30-1.30pm but they must take with them proof that they qualify for free school meals. See poster in Church.

Please note there will be no Mass on Tuesday afternoon this week as Father Ed will be away.

Mass Book Labels

The labels have now been placed in the new Mass books. Please say a prayer for the person named in the book you use. It is not too late if you would like to dedicate a book, please hand your information to Pat Pomfret or the presbytery.

Rosary

The Rosary will be said after weekday services for Father Aelred's intention.

Parish Admin Support

We require the help of someone with office and book keeping experience to support the parish as we move forward. The present arrangements, put in place as a temporary measure when Fr Aelred left, are not sustainable in the long term. If you have the relevant experience and are willing to devote some of your time on a weekly basis, please contact Fr Ed (Tel 692083) or Willie Slavin (Tel 65856) to seek further information.

Did you know ... the World Health Organisation estimates that 786 people have been infected by the Ebola virus, 442 have died, making it the largest outbreak of Ebola ever known? There is no vaccine and no known cure, but by following a few key practices, its spread can be relatively easily stopped. CAFOD is working with partners to ensure that the right messages reach the most vulnerable through community leaders they trust. In Sierra Leone we are launching a programme of training and sensitisation for religious leaders, enabling them to share accurate information widely in remote rural areas. Thank you for your continuing support.

A man applies for a job as a handyman. At the interview he is asked:

"Can you do carpentry?" "Fraid not," he replies.
"What about electrics?" "No, can't do that," he says.
"Well how about gardening?" "No, sorry," he says.
"So what makes you think you are handy then?"
"Well I only live round the corner."
