A drunk is thrown out of a bar, but soon staggers back using the back  
door. The drunk is expelled again, but a few minutes later manages  
to stumble back inside via the fire exit. Again the drunk is shown the  
door, but once more he manages to find his way back in, this time  
using the kitchen door. The barman prepares to throw out the drunk  
for a fourth time. The drunk looks at him blearily and says, "You  
again? Do you own ALL the bars around here?"
