Foodbank Special

During the school holidays when children aren't receiving their free school meals, there is an extra burden on parents/guardians to feed them. Foodbank would be grateful for any donations but mainly items which could be used to prepare a meal for children.

Please help those in need at this difficult time.

As Jesus said "Feed My Sheep".

Offertory

The forms to volunteer to take part in the Offertory are on the table in the porch and I'll be there to help if needed. One list is where you can opt to be on the rota on a regular basis where you just need to add your name. The other is if you would just like to help now and then for a special occasion/anniversary or whatever, where you add your name and the dates of your choosing (first come first served). A rota will then be drawn up. This is your chance to become more involved in our Mass.

Little Lambs Liturgy Group

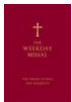

The group leaders have left some colouring pencils, etc in the porch if your children would like to use them during Mass.

Offertory Collection

Father Ed would like to have four people taking the collection during our Sunday Mass. If you could help every now and then (male or female) please add your name to the list which is on the table in the porch. This means that the regular collectors can call on you when necessary. Thank you.

Mass Book Dedications

Thank you for the recent requests – the labels will be prepared in a few weeks time.

Thank you to Susan O'Neill for her help. Remember to say a prayer for those named!

Father Ed

Hard to believe, but Father Ed has been looking after us now for six years! Six years of running two parishes; celebrating Mass; conducting funerals/baptisms/weddings; helping with the First Holy Communion courses; helping the schoolchildren with their religious needs and chaplain to West Cumberland Hospital, etc. Phew! Thank you Father.

DIY

We have one or two jobs which need to be done in Church and are asking if anyone could lend a hand. More hands less work! If you (or a member of your family) is handy please speak to Fr Ed and he'll explain what needs to be done. Thank You.

If Russians pronounce B's as V's then Soviet.

A rat catcher walks into a doctor's surgery, "I was putting down some poison when one of the little pests bit off my finger." "Which one?" asks the doctor. "How should I know?" says the rat catcher, "they all look the same to me."
