### A Prayer for the World

*God of love and hope, you made the  
world and care for all creation, but the  
world feels strange right now. The news  
is full of stories about the corona virus  
and many people are worried they might  
get ill, others are anxious for their  
family and friends. Be with them Lord  
and help them find peace. Amen*

Wasted 4 hours in A & E this morning getting a mole
